Pratt & Whitney: overhauling engines in West Virginia for over 50 years

In October 2021, **Pratt & Whitney Canada**, a business unit of **Pratt & Whitney**, celebrated the 50th anniversary of its Maintenance, Repair and Overhaul (MRO) facility — Pratt & Whitney Engine Services, Inc., located in Bridgeport. The facility employs around 400 people and overhauls between 500 and 600 engines a year. In 2019, Pratt & Whitney's U.S.–Canadian team, in collaboration with the state of West Virginia, announced a \$30 million investment to add a new MRO line to the facility. The new line became operational in 2021.
